Few people want to tell you this fact, but it s true.

They aren t the best at returning emails and can be tough to get a hold of.

The schedulers will often ask you what it will take to get the job done.

How do you view mystery shopping something you do for pleasure, part-time work, full-time work, or a scam? 3. It depends whether or not you are disciplined.

In recent months, Maritz has begun sending out automated emails more often, which offer automated incentives on some shops.

This company also lost a number of major clients to other secret shopper companies.

Today, I want to discuss what mystery shopping is not.

If you are seeking secondary income, mystery shopping provides an excellent alternative to being stuck in a part-time job.

It s probably not a good idea to work in the industry if you thrive on being around people all the time, aren t halfway computer savvy, or have a hard time reading a map/GPS.
