Stericycle Expert Solutions Review (formerly Corporate Research International) Posted on January 29, 2015 by Chris Peek Photo Courtesy: hoyasmeg on Flickr I previously wrote a post wholeheartedly endorsing working with the mystery shopping company that is now Stericycle Expert Solutions (formerly Corporate Research International).

It s probably not a good idea to work in the industry if you thrive on being around people all the time, aren t halfway computer savvy, or have a hard time reading a map/GPS.

For most secret shops, you can expect to find a normal range of \$7-20/shop, especially when you first start out. What can I say? Life happened since the birth of my son.

This company also lost a number of major clients to other secret shopper companies.

Maritz CX is arguably the industry leader in the world of secret shopping.

It depends whether or not you are disciplined.

The schedulers will often ask you what it will take to get the job done.

Stericycle is a solid company in which to break into mystery shopping.
