How Much Do Mystery Shoppers Get Paid? Posted on January 29, 2014 by Chris Peek Photo Courtesy:

TaxCredits.net One of the first questions people have when inquiring about mystery shopping is How much do mystery shoppers get paid? The answer: It depends.

If someone attempts to sell you on quick riches, then they are likely peddling a scam.

Most jobs now start out below minimum wage, and the company is not that interested in paying hefty bonuses like CORI previously paid.

Consider that you will have to go through a bit of training for each particular client.

I've used it as a consistent source of supplemental income over the past five years while working a full-time job.

Now, this is your chance to jump into the conversation.

Like all companies, Maritz CX does things in a unique way, but it's hard to argue with their success, client base, and longevity.

Mystery shops can be self-assigned on their website, but Maritz also employs numerous schedulers to make regular phone calls to shoppers looking to fill assignments, especially difficult-to-assign work.

Numerous factors will determine how much you make since mystery shoppers are paid by the job, not by the hour.
