Stericycle is a solid company in which to break into mystery shopping.

Maritz CX is arguably the industry leader in the world of secret shopping.

What can I say? Life happened since the birth of my son.

For most secret shops, you can expect to find a normal range of \$7-20/shop, especially when you first start out.

And you can't discount the freedom of setting your own schedule.

That being said, it's time to relaunch here in 2015 and help you take the mystery out of mystery shopping.

I generally pick up many last minute and bonused shops through negotiations via phone calls.

Stericycle Expert Solutions Review (formerly Corporate Research International) Posted on January 29, 2015 by Chris Peek Photo Courtesy: hoyasmeg on Flickr I previously wrote a post wholeheartedly endorsing working with the mystery shopping company that is now Stericycle Expert Solutions (formerly Corporate Research International).

It's probably not a good idea to work in the industry if you thrive on being around people all the time, aren't halfway computer savvy, or have a hard time reading a map/GPS.
