It depends how much time you are willing to invest.

Yet to my amazement, shoppers continue to gobble up \$4.00 shops.

While the initial pay is average, the real money is made by being willing to go above-and beyond, to take last-minute shops, and to drive to rural places and small towns.

There is no shortcut other than through consistent work and in developing solid relationships with mystery shopping companies.

In addition, secret shopping can be very beneficial for someone who is out of a job and needs income coming in ASAP.

Any serious mystery shopper must sign up for Maritz CX and take advantage of opportunities galore.

While these can seem cumbersome at times, push through and complete the training so you have access to the jobs and their current pay rates.

If you have a moment, please answer the following questions in the comment section below or by sending me a message via the contact form: 1.

You receive an agreed-upon commission for a successfully completed shop.
