I m going to amend that original endorsement because of some changes that have occurred over the past couple of years.

While the idea of becoming a mystery shopper may sound exciting with lots of potential freebies, the fact is that it is a real job that requires dedication and strong attention to detail.

I ve gotten to the point where I rarely accept jobs for less than \$15 apiece, and I typically try to push that amount into the \$20-25 range or more through negotiation.

So it s long past time to get back to assisting you in beginning and

They have steadily increased their client base in recent years and as a result, have quickly become my primary source of mystery shopping income.

The Bottom Line Stericycle provides an opportunity for any shopper to quickly get their feet wet and learn the ropes of secret shopping.

It depends upon your negotiation skills.

I Want to Hear From You! Posted on February 6, 2014 by Chris Peek Today s post is going to be a little bit different than usual.

This company offers a number of jobs in most regions of the country, and most of the work is pretty straightforward.

I make most of my money through negotiation.
