Stericycle Expert Solutions Review (formerly Corporate Research International) Posted on January 29, 2015 by Chris Peek Photo Courtesy: hoyasmeg on Flickr I previously wrote a post wholeheartedly endorsing working with the mystery shopping company that is now Stericycle Expert Solutions (formerly Corporate Research International).

It s probably not a good idea to work in the industry if you thrive on being around people all the time, aren t halfway computer savvy, or have a hard time reading a map/GPS.

For most secret shops, you can expect to find a normal range of \$7-20/shop, especially when you first start out. What can I say? Life happened since the birth of my son.

Maritz CX is arguably the industry leader in the world of secret shopping.

This company also lost a number of major clients to other secret shopper companies.

It depends whether or not you are disciplined.

Stericycle is a solid company in which to break into mystery shopping.

The schedulers will often ask you what it will take to get the job done.
