Mystery Shop Coach Relaunch & 5 Things Mystery Shopping Is NOT Posted on January 26, 2015 by Chris Peek
Welcome back fellow mystery shoppers! It's been quite a while since I've had the chance to post here at Mystery Shop Coach.

Mystery shopping is ideal for those who are detail-oriented and self-motivated and who thrive on working alone. While much has remained the same with Maritz, their growth has been quite phenomenal since I first started working for them nearly five years ago.

This place offers an absolute wealth of knowledge from fellow shoppers and is a great spot to discuss issues and concerns.

However, my time is much more valuable, which is why I have turned my focus toward other mystery shopping companies.

As a result, I have not shopped with them in nearly a year.

It depends how far you are willing to travel.

The value of each of these incentives will likely be different for each person.
